**The Senior Action Network is looking for stories within our community to recognize
OUTSTANDING CAREGIVERS.**

Do you know an Outstanding Caregiver? SAN is now accepting nominations of individuals in Thurston, Mason and Lewis Counties who are shining examples of what it means to be an Outstanding Caregiver. **Please take time to nominate someone who has made a difference in your life or in the life of someone you know!** Persons nominated can be in-home paid providers, family or neighborhood volunteers, or employees of a facility such as an Assisted Living, Nursing Home, Adult Family Home, Adult Day Center, etc.

As we age, our body and our mind may fail us, but our desire to have meaning and purpose in each day remains. For some, diminished physical or mental capabilities may make it necessary to have assistance from others. Things that came easy to us in younger years (daily tasks such as bathing, getting dressed, managing medications, grocery shopping, housework, preparing meals, etc.) are now difficult or unsafe to manage on our own. These diminished capacities do not take away our desire to remain strong, independent members of society. We do not want to be discounted or forgotten because of our limitations, instead we want to be honored and respected for our contributions and our unique life history. Every person who finds themselves at this crossroads deserves caregivers who, not only provide physical support with activities of daily living, but also the emotional support necessary to enjoy a high quality of life. **An outstanding caregiver serves from their mind and heart, well beyond a paycheck or sense of duty.**

If you know someone who is an OUTSTANDING CAREGIVER, please complete the attached form and submit to:

**Senior Action Network
P.O. Box 12212
Olympia, WA 98508-2212**

Nominations can also be submitted online through our website www.sanolympia.org or sent via email to LStone@advanced-healthcare.com
